

# **Stores Divisional Election Results**

**The Stores Bargaining unit had their nominations for divisional officers on November 24th 2008.**

**At that meeting all five of the current Stores Divisional Officers were nominated and unopposed for their current offices so there will be no election necessary for the Bargaining Union Offices.**

**Each Bargaining Unit is allowed up to four Bargaining and Grievance Committee Members as well and we had only four nominated so there will be no election needed for Bargaining and Grievance Committee.**

**We did have a challenge for the Stores Divisional Safety Director between Bonnie Fitzgerald and Don Bounds**

**We had voting for that office from 8:00 am to 8:00 pm on Tuesday December 16th at the Union Hall and the results were that Don Bounds was elected as the Stores Safety Director**

**Stores Divisional Election Results are now complete and they are as follows:**

**Chairman - John Holmes**

**Vice Chairman - Frank Costello**

**Chief Steward - Marshall Watkins**

**Recording Secretary - Bill StClair**

**Treasurer - Angelia Burrell**

**Bargaining & Grievance - Terrell Boykin
